Edward Lee What program did you use to draw this?

Like · Reply · November 25

Nancy Photoshop CS2, it's a really great program!

It's so scary to think that it's only been so few years since slavery in the United States! At least, with social media, people can now more easily speak up against systemic discrimination and abuse of power.

Racism and Discrimination in America – Now and Then
Racism and discrimination have become hot topics in social media and social media activism. This changes the whole debate.
